Welcome to Chabad Lubavitch of Chautauqua!

Inside you will find our program schedule for the 2011 season. This summer we will offer three special lectures in the Hall of Philosophy. In addition, we are planning another Community Kosher BBQ and two Community Shabbat Dinners.

As in the past ten summers, we have put together an innovative, academically rigorous yet accessible program filled with entertaining classes and events. We are sure you will find these experiences very rewarding.

Our goal is to make our discussions available to everyone, regardless of background and affiliation.

Our discussions will explore the many facets of Judaism, including: Kabbalah, Talmud, Ethics, Maimonides, the Bible and Jewish Psychology.
